OFFICIAL UPI PAYMENT COUNTER

SECURE SCAN & PAY

DIGITAL PAYMENTS

Scan the UPI QR to pay instantly.

Use any UPI-enabled app to complete your payment in seconds. This print is optimized for counter display, desk placement, and reception use.

Professional payment display

Clear branding, high-contrast QR placement, and print-safe spacing help the code scan reliably even when laminated or placed behind a desk shield.

1

Open Any UPI App

PhonePe, Google Pay, Paytm, BHIM, or any banking app that supports UPI.

2

Scan The QR Code

Point the scanner steadily at the QR panel on the right and confirm the payee.

3

Complete Payment

Enter the amount if required, authorize the transaction, and save the receipt.

Scan & Pay

UPI QR linked to the institute payment ID for fast and contactless collection.
